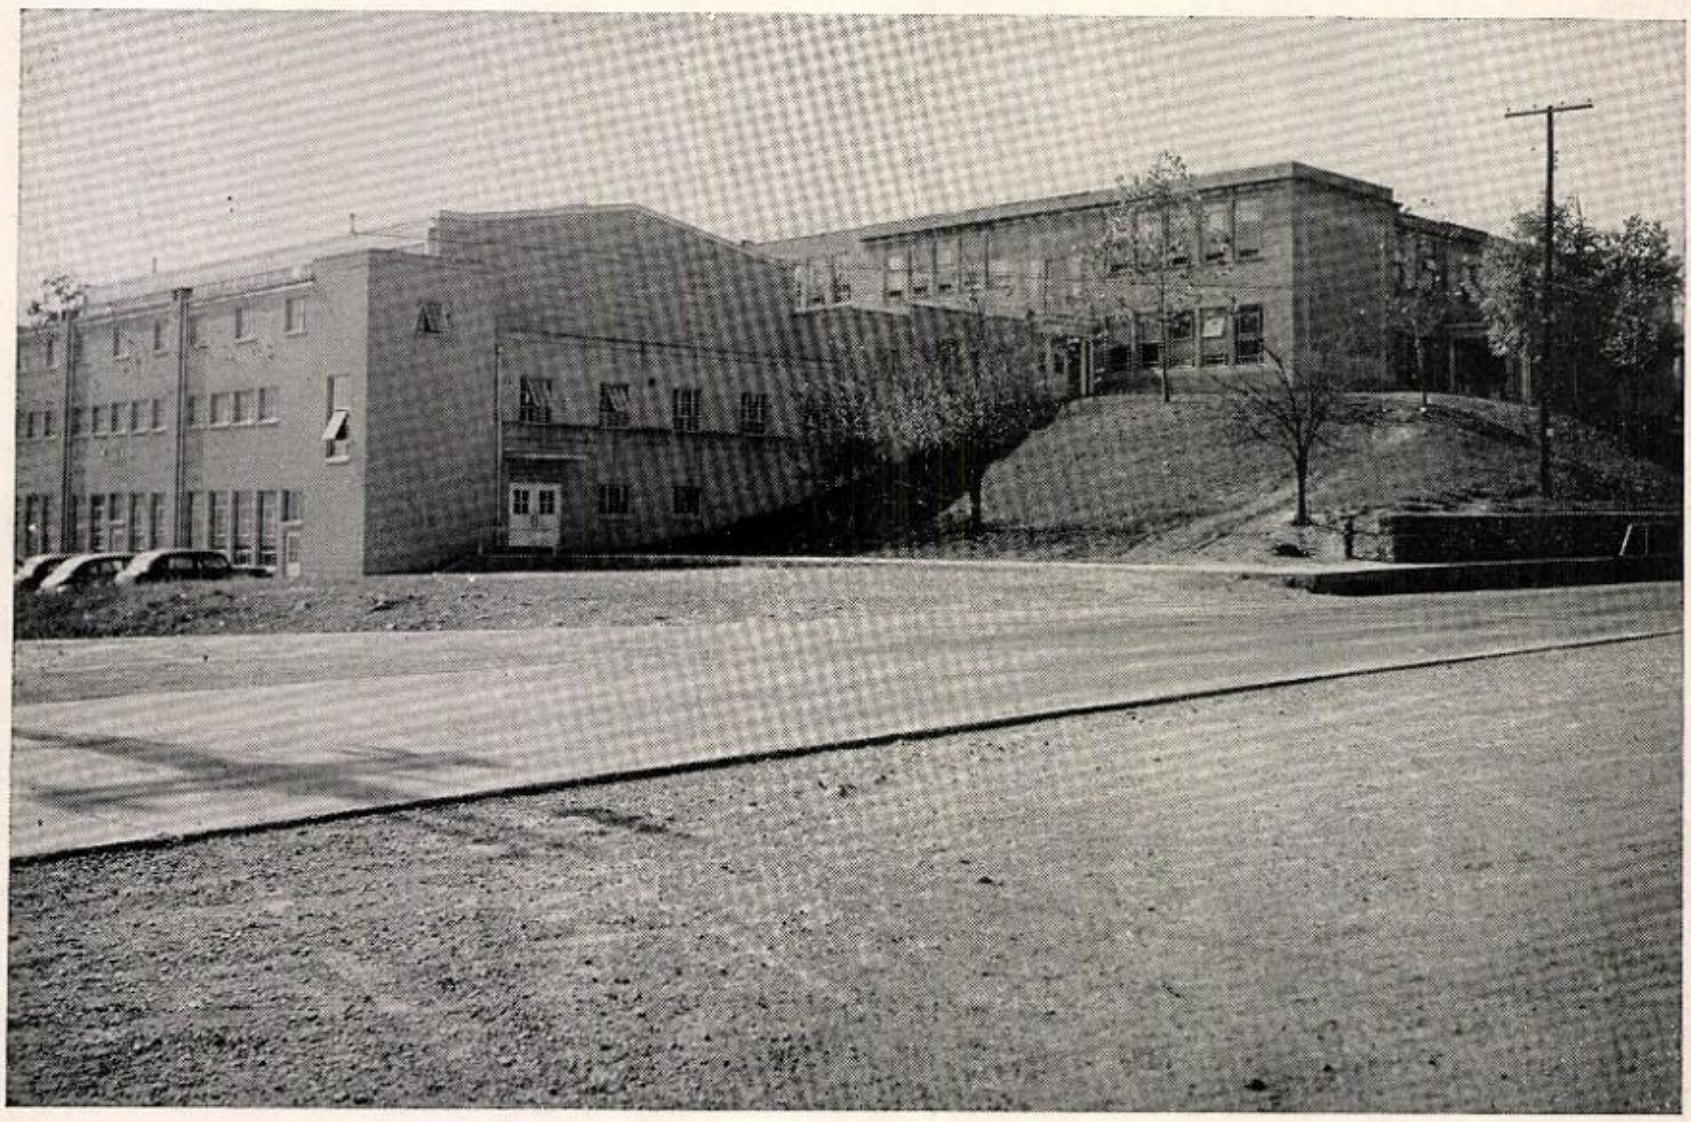
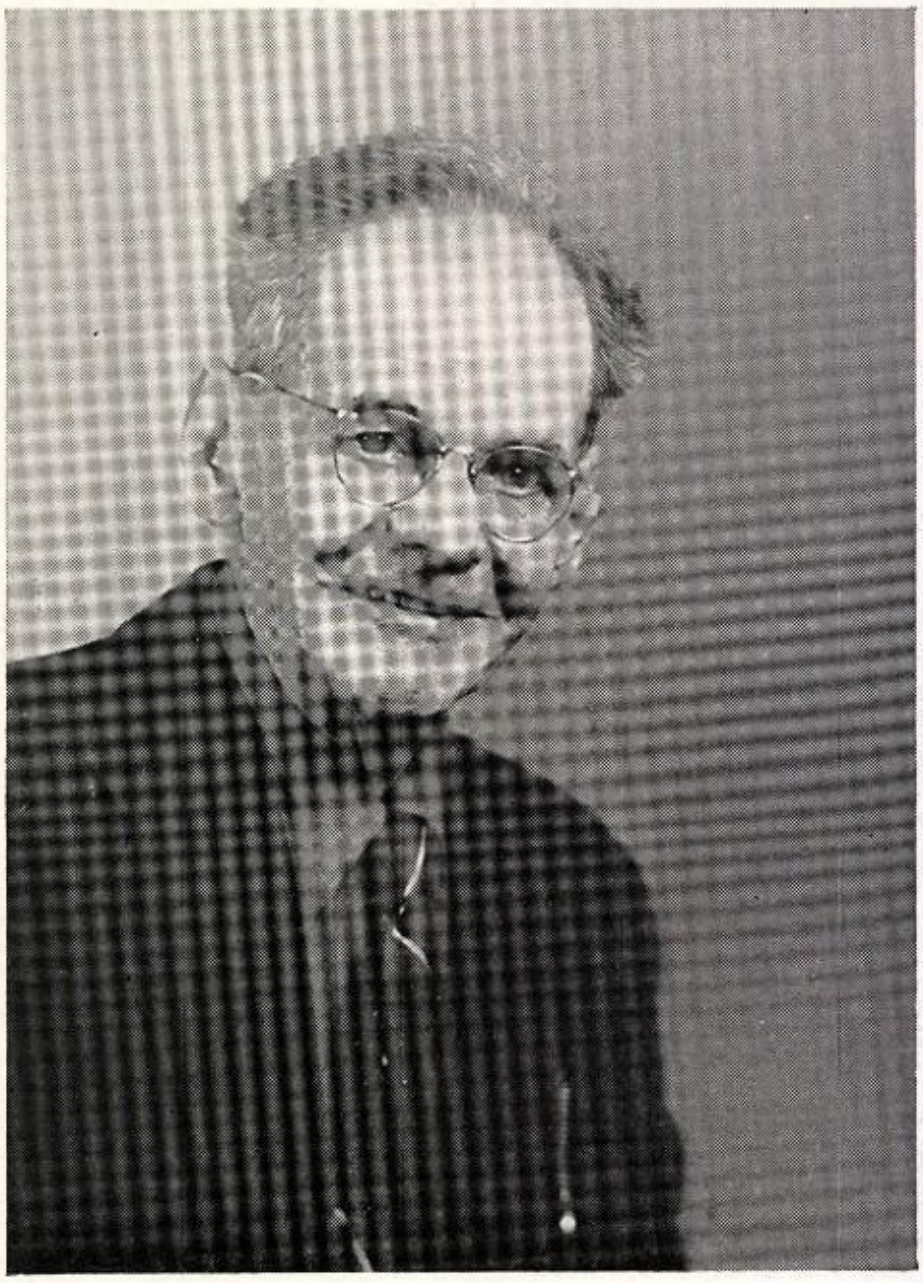
The MILTONIAN



1951



Mr. Fred Patterson

Dedication

We, the 1951 graduating class of Milton High School, dedicate this Miltonian to our friend, Mr. Fred Patterson, who has retired from service as custodian of our school after faithfully serving us and the community for 20 years. We sincerely hope that he enjoys a long and well-deserved rest.

JONATHAN Y. LOWE

A.B. Marshall College

M.A. Columbia University

In 1930 Mr. Lowe came to Milton High School as assistant coach and instructor in Mathematics. In 1933 he was appointed principal, and has continued in that capacity except for two years, 1944-1946, which he spent in the Navy.

In Appreciation

We wish to thank all who have made this Miltonian possible—our boosters and advertisers for their financial help in making this book possible; Miss Wayland for the assistance of her typing classes; Mr. Ball for his help in the art layouts; and Miss Grady for her unceasing work as Miltonian sponsor.

Class History

Well, Seniors, here we are. We have finally reached our goal of the last twelve years. It doesn't seem so very long ago though, when we started, does it?

Say! Do you remember that day, back in September of 1945 when we stood on the front steps, for the first time a part of the high school? Everything was big and strange and we were bewildered and awed by it all—and yea—just a little bit afraid, maybe. But then we were given a hearty welcome by Mr. Schwartz and our home room sponsors, Mr. Cummings and Mr. Ball. In December Mr. Stover replaced Mr. Schwartz.

Lois Dolin and Kent Stevens attended the citizenship ceremony and then, almost before we realized it, the end of the year was there.

The next year we came back to school with quite a good deal of confidence. We were no longer the babies of the school. Our sponsors this year were Mrs. Chandler and Mr. Cummings. That year Molly Prichard and Jimmy Jones attended the citizenship ceremony. A good many of our boys were on the Jr. High basketball and football teams and we began to feel more at home.

The next year we were freshmen and the largest class in school. We were proud of it too. We all made new friends among the students from Ona and Culloden that joined us that year and a good many of our fellow classmates left us.

Do you remember that memorable trip that our civics class took to Charleston to visit the Capitol? Didn't we have a wonderful time?

That year our sponsors were Miss Blake, Mrs. Harshbarger and Mrs. Stanley. Arlene Lane and Clifford Sutherland attended the citizenship ceremony.

Nora Jean Stephens was the ony Jr. High Cheerleader from our class. Angela Eggleston and Nora Jean tried out for Sr. High Cheerleader and they got it too! Peggy Simpson was substitute. That year Lois Dolin and Edna Elkins were chosen as majorette and substitute respectively.

Time goes on, and so it did for us. The year 1948 found us taking our place as the sophomore class of M. H. S. We were feeling rather grown-up by this time, and some of us had even snagged a "steady." Our class sponsors were Mrs. McClung, Mr. Throckmorton, Miss Blake, and Mrs. Taylor.

The class parties we had, the wiener roasts over at the dam, were all heaps of fun.

Our representatives to the Jr. Red Cross Council, which has been active in many fields, were Lois Dolin, Jimmie Jones, Arlene Lane, Della Shaffer and Patsy Dirton.

September of '49 we took the traditional seats in the front center section of the auditorium as "heighty" Juniors. This will remain one of our more memorable school years.

Our great football team of that year received the "runner up" trophy for the State Championship, being defeated by Weirton High School. We will never forget the thrill-packed play-off in Parkersburg.

Janice Morris, Anna Huffman, and Joann Roane were the majorettes chosen from our class this year.

The Junior Class Officers were as follows: Chairman, Charles Seager; Vice-Chairman, Arlene Lane; Secretary, Helen Kerns; and Treasurer, Emma Jean Brown.

In the spring we all were enthused with the anticipation of the Junior and Senior Prom. We chose for our theme "The Midcentury." The banquet was held at the Justice Inn. Afterwards we met at the school gymnasium for dancing. Music was furnished by the Music Masters Orchestra and our theme was carried through in the decorations by a red, white and blue canopy overhead of all the gymnasium.

The Junior Class Play was a hilarious comedy entitled, "Just Ducky." We'll never forget Bobby Doddridge's act of pretended insanity.

By the fall of 1950 we had rolled around to our last year at ole M. H. S. . . . our last year to have fun and work together. We had gained that goal of "dignified seniors."

Some of our classmates had left us by this time for various reasons, so the saying goes, "love makes the world go around," and some had married, others were engaged.

Senior pictures were taken on January 11th. We all tried to look our best for these.

Milton vs. St. Albans was our homecoming game. To the celebrations this year we added something new—a parade with each class and several clubs of the school sponsoring a float. Making the floats was a lot of fun and so was the parade around town with the floats, the band and student body. At the half-time, Angela Eggleston was presented as "Miss Greyhound." Her senior attendants were Helen Kerns and Wilma Johnson. The homecoming dance was held after the game in the gym. "Miss Greyhound" was crowned by Charles Seager and her escort was David Meadows.

Santa arrived a little late with our long awaited class rings. They finally came January 12th.

On January 16th forty-five from the senior class went to Marshall College. At Marshall we were lectured on "Why You Should Go To College" and toured the new Science Hall. When we came back we all had a better idea of what college was like.

This year the Milton Woman's Club let us use the clubhouse for dancing after the games. Many enjoyable evenings were spent here.

This year the Student Council was again organized. David Meadows was elected President by the student body.

We have made the best of our last year at M. H. S. We are waiting anxiously for the Senior Play, the Prom and last but certainly not least—Commencement.

Now that we have blessed this school with our presence for the last six years, we will bid you all adieu, and go forth with our diploma in one hand and the world in the other.
